# FROM BROADCAST TO BA

Exciting reports are streaming in from around the world! Hope Channel viewers are making the life-changing journey from broadcast to baptism and beyond. Do you remember when we prayed for the time when 3,000 would be baptized in one day, just like that remarkable baptism on the Day of Pentecost? Well, it's happening!

Here are two examples, from Tanzania and Malawi. As a result of evangelistic meetings broadcast nationwide in February and June by Hope Channel Tanzania, more than 43,000 precious souls have been baptized! In September, an evangelistic meeting in Lilongwe, Malawi, broadcast nationwide by Hope Channel Malawi, resulted in more than 10,000 baptisms.

Every day lives are being transformed as a result of the Christ-centered, Bible-based programming on our Hope Channel networks. We are always blessed to hear the details.

Here is one viewer's story. Diane TeHana's family stopped attending their Sunday-keeping church when someone criticized her husband for the way he dressed. That was the last day her family went to church. Fourteen years later, she received a shocking phone call that turned Diane's world upside-down. Her mother said, "Dad's gone." Diane's heart was broken. She dropped to her knees and cried out in prayer, "Lord, I need you!" She asked the Lord to help her and He came right away, just as He promised through the Psalmist David: "Call upon Me in the day of trouble; I will deliver you and you shall glorify Me" (Psalm 50:15, NKJV).

On her way to her father's funeral, Diane stopped to visit a friend who had recently started watching Hope Channel and had found a wonderful book about the life of Jesus, *The Desire of Ages*. She was encouraged to start watching Hope Channel and was surprised and blessed by the programs.

After watching Hope Channel for some time, Diane decided to attend the Seventh-day Adventist Church in

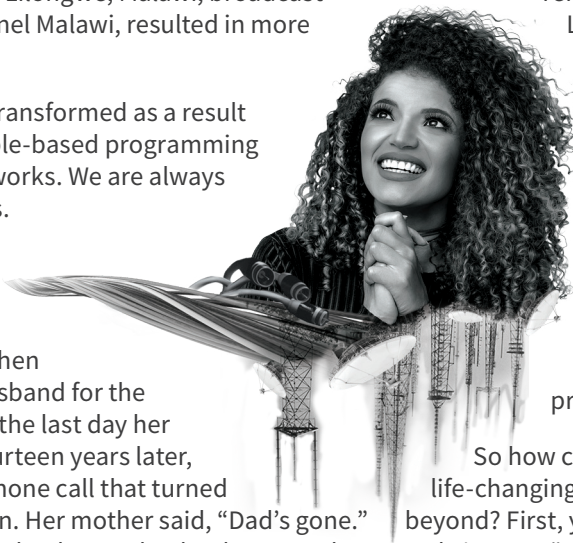

her town. Would she be welcomed or judged based on her appearance? When she was greeted with a smile and a warm handshake, Diane knew she had found a home. Her first church visit encouraged her so much that she kept attending each week and began Bible studies. The truths she was hearing at church were reinforced by the programs she was watching on Hope Channel.

After completing Bible studies, Diane decided to be baptized on April 8, 2017. "That day I gave my life to the Lord Jesus," she testified with joy in her heart! "The remaining days I walk this earth belong to the Lord!"

Diane's story is repeated over and over again around the world. Precious seeds of truth are sown in many hearts through Hope Channel broadcasts. Relationships are developed and viewers are helped to make a connection with a local church fellowship. But the journey doesn't stop there. New church members, like Diane, are sharing their love for Jesus and encouraging others to prepare for His glorious return.

So how can you help viewers like Diane take that life-changing journey from broadcast to baptism and beyond? First, you can pray. Jesus said, "The harvest truly is great." We need to continue earnestly in prayer for each viewer who watches Hope Channel programs. Secondly, you can partner with Hope Channel to produce Christ-centered, Bible-based programming. Some of you may feel the call of God to produce programs for Hope Channel. If so, we would like to connect with you. That's how my partnership with Hope Channel began ten years ago, while I was serving as lead pastor for the Forest Lake Church in Apopka, Florida. You can also support our global evangelistic ministry with your financial gifts.

Just a few weeks ago we received wonderful news—one of our faithful donors has offered a \$500,000 matching grant to support the global evangelistic ministry of Hope Channel, matching dollar for dollar all funds that are received from praying partners like you! As you consider

Dear Hope Channel,  
I want to congratulate you for the excellent first episode of Revolutionary last Sunday evening. We need more of these energetic, contemporary exposés of Christ. It was fun and captivating. Members of the global Hope Channel team came together from August 14-17, 2017 at Novo Tempo in Jacareí, Brazil for the organization's annual Network Leadership Conference. The team of Novo Tempo, by far the largest of the global international network, warmly welcomed the international leaders of Hope Channel.

The theme of this year's conference was "From Broadcast to Baptism." Pastor Derek Morris, the President of Hope Channel, Inc. presented the keynote address.

Over seventy (70) leaders, representing several countries within twelve (12) divisions, were present, making for a record-breaking attendance. These four (4) days together were packed with both work and blessings.

Despite the busy schedule, time was made for a tour of Novo Tempo's studio and production space. The facility, a powerhouse of media ministry in Brazil, was a perfect location for the

world leaders of Hope Channel to catch the vision of what can be accomplished within their own structures.

Affiliates shared reports of Hope Channel successes and made requests for assistance to do further outreach in their regions. Presentations were shared on how to improve productivity, impact, and cohesiveness. However, the most fruitful moments were the discussions on how to strengthen the network and the ability to collaborate between affiliates in the special ministry each team has been called to.

A Strategic Collaboration Committee was formed, comprised of members of Hope Channel affiliates from each continent as well as representation from Hope Channel, Inc. in Silver Spring, and its board. This committee will meet two-to-four (2—4) times a year to discuss methods in which the global network of affiliates can: a) collaborate with one another more closely; b) determine how to optimize resources on an international level; and c) plan ways to optimize synergy across the network. 

## CONFERENCE STATS

In closing the conference, Pastor Morris led the team in a service of consecration and prayer on “What Jesus Taught about Harvest Workers,” that the Harvest truly is great but the laborers are few. He said, “Jesus wants us to cry out to HIM and pray the Radical Prayer.”

#### The Radical Prayer for Harvest Workers:

*“Lord of the Harvest, I beg You to throw out laborers into Your Harvest and You have my permission to begin with me.”*

He also shared this promise he found while studying:

#### The Promise

*“Your Saviour will guide you into the position best suited to your talents and where you can be most useful.” 5T 87*

Pastor Morris invited the leaders to join him in his commitment to be a faithful harvest worker. He then taught the team to sing his signature scripture song on the same theme. This was a powerful moment as everyone re-committed to being Harvest Workers.

#### The Harvest Truly is Great

-Luke 10:2 NKJV

The harvest truly is great  
But the laborers are few  
The laborers are few  
The harvest truly is great  
But the laborers are few.

Therefore, pray the Lord of the harvest  
To send out laborers  
Therefore, pray the Lord of the harvest  
To send out laborers

Into His harvest  
Into His harvest  
The harvest truly is great  
But the laborers are few

Do you not say,  
“There are still four months  
And then comes the harvest.”  
Behold, I say to you,  
Lift up your eyes and look at the fields  
For they are already white  
For the harvest.

## Inside **Hope Channel**

International Development

# Joe Sloan

The television industry is just about the only industry I know. I attended Texas A&M University and graduated from their school of journalism, taking a job right out of school as a News Photographer for CNN.

I have worked for major television networks, such as CNN and NBC and have won numerous awards as an individual and for being part of hard-working news casting teams. I've been producing television since I was 19 years old, and have directed over 7,000 news casts.

It was a life I could have only dreamed of living, and took every opportunity to impress those around me to further my career and work.

Over the years, however, I came to realize that my skill and experience in television was a gift from God. He had blessed me in this industry so I could be of service to Him. By

the time I came to work with Hope Channel, I had fully decided that I was more interested in serving God than any television profession.

Having worked at Hope Channel since its inception, I have personally seen how God blesses those who seek to work for Him. I have served Hope Channel in many roles during my time here. I've been a Senior Producer, the Director of Distribution, and the Director of Production.

In my new role as International Development Director, I have the opportunity to work closely with our international affiliates. I've traveled around the world to help establish new channels so that they can

become more effective in their local regions.

Working with these God-loving entities around the world to share the good news of Christ to the unreached has been, and continues to be, an incredible blessing.

I am grateful for how God has LED me, and I know there is much more that He has in store.

*When not producing life-changing programming, Joe volunteers at his local church in several capacities, including serving as an Elder and Sabbath School Teacher. Joe is also known for his dry sense of humor, which keeps his colleagues, friends, and family (especially his wife, Luci) on their toes.*
