HOPE SABBATH SCHOOL
SPECIAL EDITION

INTERVIEW WITH BODIL MORRIS p. 4

FAR BEYOND OUR GREATEST EXPECTATIONS p. 10

CHANGED LIVES FROM HSS MEMBERS AROUND THE WORLD p. 18

TEN YEARS OF

*H*ope Sabbath School is celebrating 10 years of blessings! This remarkable miracle of God began in fall 2007 when I was serving as the lead pastor at Forest Lake Church in Apopka, Florida. Our media team was invited to create a Sabbath School program for Hope Channel.

As we prayerfully considered this request, we were convinced we didn't need more Sabbath School sermons or meandering discussions of human opinions about the Bible—we needed an in-depth, interactive study of the Word of God. We also needed to give a diverse group of young adults an opportunity to participate in this global evangelistic mission. As we searched for a program name, the word HOPE seemed so appropriate—*Hope Sabbath School*.

I clearly remember our first evening of filming. Joe Sloan, one of the producers at Hope Channel and now director of

international development, came to Forest Lake Church to provide some coaching. I will always remember his comment that evening: "This will be a lot of work, but God will use it to impact many lives!" We began the evening with earnest prayer, and we sensed God's enabling presence in remarkable ways.

Ten years later, with more than 1 million participants in 150 countries, *Hope Sabbath School* is the most broadcast program worldwide on Hope Channel, not only in English but with voice-over and closed captioning in other languages. Every week we receive emails from *Hope Sabbath School* members who have decided to be baptized! We also frequently receive notes from dedicated followers of Jesus who are downloading the *Hope Sabbath School* outline and teaching in-depth, interactive Bible study groups in their part of the world. We are part of a great miracle of God that is expanding every day!

BODIL MORRIS

Executive Producer, *Hope Sabbath School*

HopeLink interviewed Bodil Morris, volunteer executive producer for *Hope Sabbath School*, in honor of its 10th year of broadcast on Hope Channel.

HopeLink - How long have you been involved with *Hope Sabbath School*?

Bodil Morris - I have been blessed to be involved with *Hope Sabbath School* since its inception 10 years ago. That's over 500 hours of in-depth, interactive programs. It's an enormous challenge, but also an incredible privilege. I'm a nurse practitioner by profession and never imagined myself actively involved in global evangelism. But God had other plans.

HL - How do you choose *Hope Sabbath School* team members?

BM - We are always looking for committed young people and young adults who are dedicated to Jesus and have a passion for the Word of God. The average age of our team is 30. Diversity is important to us because we are a global family. We have *Hope Sabbath School* members in 150

countries around the world. Since team members grow older every year, we are always looking for young participants!

HL - How many young people are part of the *Hope Sabbath School* team?

BM - We have a pool of about 50 young people and young adults who volunteer as *Hope Sabbath School* team members. Most of them live in the Greater Washington D.C., area. Some team members fly in from as far away as Florida, California, Wisconsin, Canada, and Sweden.

HL - How have you seen involvement with *Hope Sabbath School* impact the lives of your team members?

BM - An in-depth, interactive study of the Word of God changes lives, not only for the viewers but also for the team members. I remember one of our team members who was initially very timid and anxious about reading the Bible. As she witnessed and experienced the enabling presence of the Holy Spirit during our interactive study, she found freedom both to share her personal testimony and read the Word of God with clarity and boldness! Sometimes team members shed tears as they share their

testimonies. We have learned if God's Spirit is touching us as team members, many more will be impacted as they watch the program.

HL - After doing *Hope Sabbath School* for 4 years with a team of young adults at Forest Lake Church in Apopka, Florida, you moved operations to the Hope Channel studio in Silver Spring, Maryland. How was that move possible?

BM - It took a miracle to start *Hope Sabbath School* in Florida in a church of 3,500 members, and we realized it would take another miracle to build a brand new team in Maryland. We prayed earnestly and we were always looking for young people and young adults who wanted to join the team. A few members of our initial team, including Stephanie Holtry, stayed with us, but it was basically a brand new team.

HL - Several years ago, you began to have members of the *Hope Sabbath School* team teach the class. Why did you make that transition?

BM - It's important to train young leaders to carry on the mission. This work will not be completed until Jesus returns in glory. We never have guest teachers on *Hope Sabbath School*—only team members like Stephanie Holtry, Tricia Lee Wilkins, Jason Miller, and Kyle Allen. The response from viewers has been

overwhelmingly positive. This transition also motivated tens of thousands of *Hope Sabbath School* members to start teaching in-depth, interactive studies in their locations. Every week, thousands of teachers download the 1-page interactive outline from our *Hope Sabbath School* website, www.hopetv.org/hopess. It brings us great joy to see this multiplication of *Hope Sabbath Schools* around the world.

HL - You compose the Scripture theme songs for *Hope Sabbath School*. When did you start composing Scripture songs and when did you decide to add a Scripture theme song as part of *Hope Sabbath School*?

BM - I started composing Scripture songs many years ago when our children were young. We wanted to help them hide God's Word in their hearts. We had no idea what amazing plans God had in mind. After filming *Hope Sabbath School* for about a year, we had a series on the Fruit of the Spirit. I had composed a Scripture song with lyrics from Galatians 5:22-23, and we decided to sing it as part of our *Hope Sabbath School* program. The response from viewers was very positive. We have chosen a Scripture theme song ever since, and we even include a free download of an MP3 file and sheet music on our website!

Bodil and her family: Sophia (granddaughter), Suzie, Ian (grandson), Christopher (son), Inger Lise Chen (Bodil's mother), Philip Chen (Bodil's father), Bodil, Jonathan (son), Margo (granddaughter), Derek, Monika.

HL - How has your involvement with *Hope Sabbath School* changed your life?

BM - I have seen the truth of God's Word come to life. The Lord promised in Jeremiah 33:3, "Call to Me and I will answer you and show you great and mighty things which you do not know." As I consider what God has done in the past 10 years through the ministry of *Hope Sabbath School*, I am reminded of the words of the prophet Jeremiah: "Ah, LORD God, behold You have made the heavens and the earth by Your great power and outstretched arm. There is nothing too hard for You!" (Jeremiah 32:17, NKJV)

HL - Most viewers may not be aware that you are the executive producer for *Hope Sabbath School* and the wife of Pastor Derek Morris. What is it like to be part of a team that God has been using to change lives for the past 10 years?

BM - It has been an amazing, life-changing journey for me! God has taught me more about trusting Him to accomplish His work. God is using *Hope Sabbath School* to reach people around the world, encouraging people who can't go to church, or don't live near a church. Many *Hope Sabbath School* participants have been inspired to take the 1-page outline and teach a *Hope Sabbath School* at their church or in their workplace. There are people who "find" the program "accidentally" and are encouraged to grow in the Lord. When we hear these testimonies, we are inspired to keep going.

HL - How do you spend your time when you are not working on *Hope Sabbath School*?

BM - I am a Family Nurse Practitioner and I'm currently working with veterans. I also have a special interest in health ministry. I am currently conducting a Depression and Anxiety Recovery Program developed by Dr. Neil Nedley. I am blessed when able to serve others and help them find a healthier life, physically, mentally, and spiritually. I also continue to compose Scripture songs!

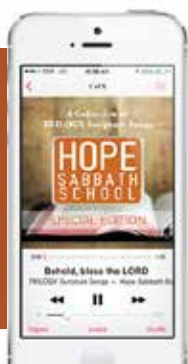

HL - Tell us about your family.

BM - We have been blessed beyond measure with two wonderful sons, two amazing daughters-in-law, and three precious grandchildren (plus one more on the way)! They have taught us so much about the immeasurable, unfailing love of God.

HL - Is there anything we did not ask that you would like to share with the *Hope Sabbath School* audience?

BM - I encourage people to share *Hope Sabbath School* with others – especially young people. You can share the *Hope Sabbath School* app (Android & Apple). This is a platform that is easy for young adults to access. When I share with others that there are over 1 million viewers from around the world who watch *Hope Sabbath School*, they are often impressed to check it out for themselves.

Please support *Hope Sabbath School* with your prayers and however God impresses you. We appreciate it so much. 🙏

Hope Sabbath School Special Edition is a collection of 12 Trilogy Scripture Songs used as theme songs for *Hope Sabbath School*. Lyrics are taken directly from the New King James (NKJV) translation of the Bible.

CELEBRATION OF HOPE PREMIERE WEEKEND 2017

A sudden snowstorm shut down airports and snarled traffic as Hope Channel supporters and staff were traveling to Asheville, North Carolina, for the first Celebration of Hope partnership weekend in early December. More than half of the attendees were unable to make it to the event at the beautiful Ridgecrest Conference Center, but God's presence was felt by all as more than \$500,000 was committed over the weekend.

In his second year as president of Hope Channel, Pastor Derek Morris presented his vision for the Hope Channel network of more than 50 affiliate stations around the world. Attendees witnessed video reports as well as in-person testimonies of how Hope Channel programs are changing lives. There

were also special, behind-the-scenes videos that featured program hosts, such as Season Cromwell of *Let's Pray*, Justin Kim of *InVerse*, Katia Reinert of *Speak Up*, Clifford Goldstein of *Cliff!* and more.

The keynote speaker was international evangelist and Hope Channel board member Elder Mark Finley. Throughout the weekend, Finley shared the history of television evangelism that led to the creation of Hope Channel and gave a report about his 2016 evangelistic series in China, in which Hope Channel played a significant role.

The weekend also featured a live *Hope Sabbath School* lesson featuring weekend attendees, a special lifestyle seminar from *Go*

TWO WEEKENDS FOR 2018!

September 28-30, 2018 | Palm Springs, California

Healthy for Good! host, Dr. Nerida McKibben, an estate planning seminar from Dr. Al and Bonnie Navarro, and the musical testimony of singer Naomi Striemer.

The purpose of Celebration of Hope is to better inform attendees about how Hope Channel is changing the lives of its viewers and to report on how donated funds are being used to further its mission. Attendance is open to anyone committed to supporting Hope

Channel with a minimum suggested gift of \$125 per month or \$1,500 per year.

In 2018, Hope Channel will hold two Celebration of Hope partnership weekends, one in Palm Springs, California, on September 28-30, and one back in Asheville, North Carolina, on December 7-9.

Only our great and awesome God can turn a crippling snowstorm into showers of blessing! It was Friday, December 8, 2017, and our team was preparing for our first Celebration of Hope partnership weekend in Asheville, North Carolina.

Careful and prayerful preparations had been made. That very day, the Asheville area was hit by an immobilizing snowstorm. The airport was closed. Roads quickly became impassable. When our Friday evening meeting began, our total attendance was only around 50, including our Hope Channel team!

It seemed like a disaster from a human perspective. But the apostle Paul reminds

“God’s work
done in
God’s way
will never lack
God’s supplies.”

—**Hudson Taylor**, missionary to China
and founder of the China Inland Mission

us that our great and awesome God “is able to do exceedingly abundantly above all that we ask or think” (Ephesians 3:20, NKJV). We were blessed with spiritual showers of blessing during our live *Hope Sabbath School* on Friday evening.

During that meeting, I received a text from a dedicated Hope Channel supporter: “I was hoping by some miracle we could come to the Celebration of Hope partnership weekend but it is not possible. I would like to present a proposal: If you could raise \$100,000, we will match it. We are praying God will bless this special weekend.”

As I considered the small group of attendees in Asheville, I must confess I

felt like Gideon, whose army had shrunk from 32,000 to 10,000 to 300! But then I remembered the promise in Ephesians 3:20. Our great and awesome God is able to do exceedingly abundantly above all that we ask or think!

On Sabbath morning, Pastor Mark Finley shared a thrilling report about evangelism in China that had been broadcast to millions on Hope Channel Chinese. During the main morning meeting, we heard numerous accounts of lives transformed through the global evangelistic ministry of Hope Channel.

At the conclusion of the meeting, one of those in attendance came to me and said, “I would like to match the \$100,000 challenge!” I wasn’t sure I heard correctly. Match what was raised by our Gideon’s band? No. Match the entire \$100,000

challenge! Other generous donors offered gifts and pledges “exceedingly abundantly above” our greatest expectations.

By the end of the weekend, with tremendous support from many who were not even able to make it to the Celebration of Hope partnership weekend, God had blessed Hope Channel with over \$500,000 in gifts and pledges. I just had to use my favorite Hebrew word: HALLELUJAH! We are deeply grateful to each one of you who participated in this great miracle of God!

We learned a vitally important lesson at our first Celebration of Hope partnership weekend. It’s not primarily a fundraising event—it’s an opportunity to see our God at work and to give Him glory and praise. He is a great and awesome God, able to do “exceedingly abundantly above all that we ask or think.” 🙏

Ever since I was young, I aspired to help people know Jesus Christ. As I thought about how to achieve this, I was drawn to medicine. I studied hard and worked in the medical field for many years before I realized that I wanted to make an impact on a larger scale.

Since I started working at Hope Channel, I can honestly say that I'm making that larger impact every day.

Different forms of media, especially television, are powerful ministry tools that can reach thousands of eyes and minds in a matter of minutes. What is shared, then, is extremely important.

In my role as broadcast traffic coordinator, I personally oversee all incoming programs and maintain the master database for Hope Channel. Together with various producers and editors, my team and I work to find content that meets Hope Channel's expectations and standards.

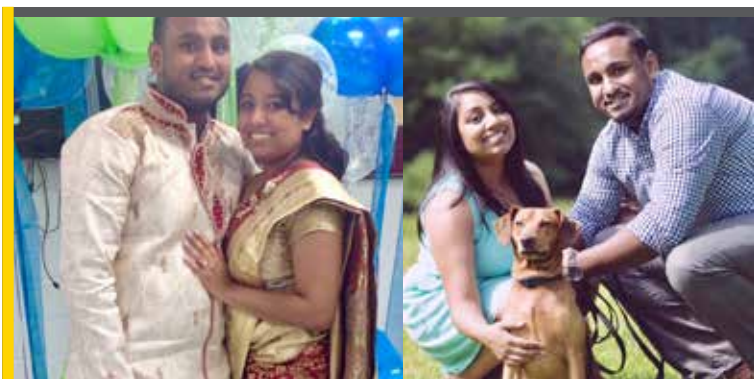

Aspects like file quality, video length, and other technical requirements are all things I'm responsible for checking on when I receive videos, but the most important part is the content itself.

Good spiritual and educational content is important, not because of Hope Channel's standards, but because of the impact it has on the lives of thousands of viewers. My team and I, knowing that people around the world are coming to Christ through Hope Channel, are committed to acquiring and airing these powerful, life-changing programs. It is an incredibly humbling responsibility.

And a joyous one too! Although I haven't yet met someone who has chosen Jesus as their Savior as a direct result of my work at Hope Channel, I know I am part of a mission that is much greater than me. I am always amazed to hear the testimonies of our viewers and am grateful to have played some role in their story.

I love my work and I'm positive that what happens in this office is making a difference in the world. I thank God for the opportunity to be part of a team that is so passionate and dedicated to furthering God's mission.

I believe that my being at Hope Channel is an answer to my prayers from when I was younger. It's been a long and interesting journey, but He's placed me exactly where I need to be. God is fulfilling the deepest desire of my heart—and I could not be more grateful! 

Serena is married to her childhood friend Samuel, and they live together with their sweet dog, Junior. She also shares Jesus outside her time at Hope Channel by being an active member of her church. She is a Pathfinder associate at Southern Asian Seventh-day Adventist Church in Silver Spring, Maryland, and recently completed the Pathfinder Leadership Award, a level higher than Master Guide. Serena is an avid photographer and uses her skills for personal enjoyment as well as for her church.

CHANGED LIVES: STORIES FROM MEMBERS

Just wanted to say thank you to all the members of Hope Sabbath School. I have been using your outline to help me lead out in my local Sabbath School class. I was asked to lead out about 8 months ago. Not only am I the youngest member of my class but I had never lead a Sabbath School class before so I was a bit unsure of my abilities. However, as soon as I was asked I knew right away that this was my chance to share Hope Sabbath School with my local church family. I was amazed how easy it was to lead out in Sabbath School with the Holy Spirit in charge. Everyone loves the Hope SS outlines that we continue to use almost every week. I have now been given full responsibility of the class and lead out every Sabbath morning. Praise God! I thank God for His Spirit's amazing power to transform my old life into the new life I claim today! May God continue to bless the Hope SS team with the Holy Spirit to help lead people around the world to Christ. Your Friend & Brother in Christ. - **Ben from Colorado**

I absolutely love Hope Sabbath School! I have been watching and studying along with the current programs and I have also started going back through the archives to enjoy past studies. I recently started attending a Seventh-day Adventist church, after learning about the Sabbath truth. It is my prayer to be baptized soon. I am 61 years old and I feel as if the light has finally come on and I understand so much more about the Word of God, and how truly special and precious it is. - **Lorraine Bowens, North Carolina**

SCHOOL

My name is **Sarah**. I live in **Chattanooga, TN**. I joined the SDA church about 2 years ago and got baptized. I started watching Hope Sabbath School about a year ago. Hope Sabbath School is very inspiring to me, it literally gives me hope! I watch every Friday evening to prepare for the Sabbath. Such a blessing to know about the Sabbath now. Before, I attended a Sunday-keeping church and didn't realize the importance of the true Sabbath. I feel like you are all part of my extended church family and I love the scripture songs. I've memorized a few. God bless you in doing the Lord's work and bringing the Gospel to all the world!

My name is **Danielle**. Recently, I started to take my Bible study more seriously. I grew up in the church but Bible study was never a first priority in my life. I started university this year and I was really struggling to keep up my GPA, then I decided that something was wrong and I was missing something. That's when I decided to make a life change and make God first place instead of school. Not by chance, I stumbled across Hope Sabbath School. God had sent you to me to help me in my new journey with Him and I am very thankful. I absolutely love your studies and I look forward to them. As a youth, it is definitely not easy to take a stand for God amidst this chaos but thanks to my newly revived love for God I have been able to find peace and joy and my relationship with him has been strengthened. Thank you for doing what you do, taking a stand for God and touching the lives of people everywhere. Please continue to do the good work and allowing God to use you all. I'm praying for the Hope Sabbath School family and I pray that we will continue to prepare to meet our Lord and Savior when he comes. - **Jamaica, W.I.**

Dear Hope Sabbath School team, I have been listening to Hope Sabbath School for two years and I was baptized recently! My first motivation was to learn English, but now my principal motivation is to know Jesus, and I am making my best effort in order to reflect His character. Congratulations to all of you! You are a marvelous team, helping us to be closer to Jesus, to understand the Word of God. A huge hug to all of you. - **Ing. Naitel Delgado Mujica, Venezuela**

I am a missionary in the interior jungle of **Guyana, South America**. I have no TV or radio. I've chosen to use the very expensive data plan on my smartphone to listen to Hope Sabbath School mp3 lesson study. It is a blessing. It gives me encouragement & assistance in my personal study time. Thank you Hope Sabbath School & may God bless you all for your devotion to Him. - **Pearl Henry, Director of Siparuta Mission Academy**

FROM HOPE SABBATH SCHOOL AROUND THE WORLD

My name is **Romario**. I'm 7 years old and I live in the **UK**. I watch your program every Friday evening. I join in with your songs and try to find them in the Bible. I follow the lesson and read the Bible. I always pray for you. My Nan watches Hope Sabbath School with me. Her name is **Vivonne**. Sometimes I ask her questions and she answers them. I will also ask her about the lessons you teach. Then I look forward to going to church the next day. Although it is only Saturday, I look forward to going to school and discussing the words of God with my friends and I try to lure my parents to church along with my sisters. God bless you.

Thank you for Hope Sabbath School, your smile, your warm and happy way of sharing Jesus. I always use your outline, when I'm preparing to lead Sabbath School, it helps me a lot. Sometimes, I only have one hour to prepare, I take the outline, listen to your program and write notes at the same time. That's my emergency version. Sometimes I only have one minute, then I say an extra prayer to Jesus and use your outline with the normal Sabbath School lesson and do my best. – **Your sister Rita, from Denmark**

Dear Hope Sabbath School, My family and I currently live and work in Italy as I am a member of the United States Air Force. I wanted to send you greetings and thank you for delivering the truth and knowledge about the word of God. Our church group is extremely small, mainly consisting of visitors passing through; so about a year ago we found your program and began watching. It has definitely been a blessing to continually grow with the limits we currently have. I feel so connected to your team and their humbleness, as I watch. Just recently, I became baptized in the SDA faith and I want to say thank you for leading me to dive deeper into the SDA faith but more, the Word of God. Thank you for your devotion and commitment to the ministry of the Gospel. – **Shakia Lafleur**

My name is **Priscillah Wanjiku**. I am a dedicated member of Hope Sabbath School. I appreciate the work you are doing, assisting many people to have a deeper understanding of the Word of God. In this teaching, I have found forgiveness in my heart. I held a grudge against my dad but through Bible exposition, my heart has let go of the old and new life has begun. God bless Hope Sabbath School. I love you all. – **Thika, Kenya**

I am writing from **Penang Island in Malaysia**. There are 8 of us in a Care Group who consistently meet every Friday evening to watch your Sabbath School lesson on Hope Channel. We are so impressed with your teaching and the sharing of each individual in the group. We would like to thank you for Hope Sabbath School and we pray that God will continue to bless your work. We also love the Scripture songs. This program is indeed a blessing to all of us here. – **Warmest regards, Eden Care Group**

Greetings in the name of our Lord Jesus Christ. My name is **Mwiinga from Zambia**, but currently studying in Turkey. I am really blessed by your ministry. In the city where I reside, we have no Adventist church. Every Sabbath morning I watch Hope Sabbath School. Even though I don't meet with my fellow believers on Sabbath for worship, I still feel as though I do because I meet with you in spirit whenever I watch Hope Sabbath School. Pray for the Christians in Turkey, Many have given up their faith. They don't disclose their identity as cross bearers for fear of being hated and, worse still, killed. May the Lord bless this ministry because you are touching lives more than you can imagine. May the grace of our Lord Jesus Christ be with you all as we prepare and patiently wait for the coming of our Savior and Redeemer. Amen.

10 Years of Hope Sabbath School Memories

with Derek and Bodil

Our first day of filming. Joe Sloan, now HC Director of International Development, told us, "This will be a lot of work but it will impact many lives!" That was a prophetic word.

The way God provided us with the app developer in the US who was willing to develop an Android app for \$100.

The day our executive producer told me, "Hope Sabbath School is the most important thing you do! Where else do you give a million Bible studies a week?" She was right!

Every time we read an email from a Hope Sabbath School participant whose life has been transformed through an in-depth interactive study of the Word of God.

The day we received an email from a country in the 10-90 window telling us Hope Sabbath School was a spiritual lifeline for them.

After getting a price of \$10,000 for our Android App, God provided a team of software engineers in California who were willing to provide an Android Hope Sabbath School App for...you guessed it, \$100!

The day our first team member taught Hope Sabbath School. This development inspired tens of thousands of participants around the world to become active teachers and not just active students.

The dedication of young adult followers of Jesus who take off work to film and pay their own airline tickets to participate in this global evangelistic ministry.

The day we learned our Hope Sabbath School apps were being used in 150 countries around the world.

Times when we sensed the Holy Spirit impacting our lives in profound ways during the recording of Hope Sabbath School. We know if our lives are transformed, others will also be transformed by the power of the Holy Spirit.

The day a young adult couple who were members of our Hope Sabbath School team came to us and said, "Being part of Hope Sabbath School has changed our lives."

The day we heard a terrible storm was approaching and God empowered our team to film six 1-hour broadcasts in a single day!

We received an email from a young man on the Afghan-Iran border. He said, "I'm looking for a Savior." I thought to myself, "That's why we produce Hope Sabbath School!"

After recording 100 hours of in-depth interactive study of the Word of God as Hope Sabbath School, a decision was made to rebroadcast past series as a daily Bible study called Daily Hope. Today we have more than 500 hours of in-depth interactive studies of the Word of God being broadcast around the world.

Help Hope Help Yourself

Like many, you have probably been watching in dismay as your investments fluctuate wildly and your bank CD rates plummet to less than 1%. There isn't much security in knowing that your financial future can be tossed around by every market whim.

The good news is that with a charitable gift annuity, you can receive a generous fixed income with payments made to you or your loved ones for life. Not only will you help Hope Channel further the gospel broadcast but you will also receive fixed income for your lifetime.

Now is the time to lock in a generous payout rate based on your age.
