MAKING A DIFFERENCE

Ten years ago I was invited to host an interactive Bible study show for Hope Channel. At the time I was pastoring a growing church in Apopka, Florida with five worship services and more than 3,000 members. It would have been easy to decline the invitation with a simple “We’re too busy!” But God had placed in our hearts a desire to make a difference—not only in Apopka, but around the world.

Within a few years, Hope Sabbath School had become the most broadcast program on the Hope Channel global network. I volunteered for about nine years and then on April 11, 2016, I was invited to become president of this remarkable global ministry. God made it very clear to my wife Bodil and me that He was calling us to this new ministry. In fact, He had been preparing us for many years. My wife continues to volunteer as executive producer of Hope Sabbath School. She is a busy professional, but God has also placed in her heart a deep desire to make a difference for the kingdom of heaven.

One of the big surprises that I had when I became president was the financial challenges of Hope Channel. Many of our viewers assume our ministry is fully funded by the church. While we receive generous financial support from our world church, a significant portion of our budget needs to come from viewers.

I’ve visited a website where a preacher charges \$3.95 to watch one of his sermons. That’s not our plan; we have a God-given mission to share the good news of a better life for today and for eternity with the whole world—with every nation, kindred, tongue, and people. We don’t want to charge people to hear that good news. But we do need your support. We need you to partner with us.

Each year, as a result of Hope Channel’s ministry, thousands are coming to a saving knowledge of Jesus. Each one is of infinite value to God. We need you to partner with us to make a difference.

This year we have started our Sustaining Partners program, inviting viewers like you to give an automatic monthly

donation to Hope Channel. Whether it’s \$10, \$50, or \$500 a month, each Sustaining Partner makes a difference.

My wife and I have made a prayerful commitment to become Sustaining Partners—not just because I work for Hope Channel, but because God has placed in our hearts a desire to make a difference for His kingdom. We believe in the global evangelistic ministry of Hope Channel. We believe Jesus is coming soon. We believe now is the time to make a difference.

Will you join us as Sustaining Partners for Hope Channel? At hopetv.org/donate you can set up a secure monthly donation. It’s simple and easy, and you will have the joy of knowing you are making a difference for the kingdom of heaven.

If you would like to interact with me personally about this life-changing ministry, please contact me. I would be happy to speak with you or make arrangements for someone to visit you.

If you are already partnering with us, thank you! Please join me in prayer for many more Sustaining Partners. If God is speaking to your heart, encouraging you to make a difference, thank you for following the impressions of His Spirit.

When we stand before the throne of God and see the many whom we had the privilege of inviting, we will all rejoice together. By God’s grace, we wouldn’t have just lived for ourselves. We would have made a difference for eternity.

With thanks and prayers,

Derek Morris

What Viewers Are **Saying**

In the last year I have lost 100 pounds. *Go Heathy for Good* was a great asset with the adjustments our family needed to go vegan. I was morbidly obese and my health was showing it. I just sat in a chair most of the time. When I first started a plant-based lifestyle I weighed 354 pounds at 5 foot 4 inches. I now weigh 254 pounds with still 100 pounds left to go before I reach my goal of 150 pounds. I plan on taking another year to get off that weight (it has been a year already). So maybe I will be more settled then and can let you know where I will be.

—Susan

You all bring out different points to the SAME lesson, and I'm like "Hmmm...I never looked at it that way." The Holy Spirit is truly with you all.

—Kandeice

I'm amazed at how God uses Hope Channel to help me share my faith. When my friends are going through a particularly difficult time, I always have the right show to recommend.

—John

My marriage and life are so much better after a year of Hope Channel.

—Bethany

Recently I went through another crisis in my life. It seems like my life is a string of tough times. But this time I was able to fight thoughts of suicide. I think it was your shows that helped me stay positive. Thank you.

—Stephen

I learned about the Sabbath on Hope Channel, and I'm trying to be a Sabbath keeper. I'm already seeing huge benefits.

Beth's Journey

Dear Hope Channel,

Although I have always believed in God and His son, Jesus, and had asked Jesus into my heart as a child, I had never experienced a close walk with my Savior. Sadly, I was more influenced by the world than the Bible.

My life changed drastically when I assumed responsibility of my elderly parents. I found myself a full-time caregiver and homebound. My mother passed away a few months later, and I became increasingly dedicated to my father's growing care needs. My responsibility was heavy and I began to lean and depend on my Savior more and more. The demands on my life required mental and physical strength that I did not possess on my own! I learned to trust, and love, and depend on God. Because of my caregiving responsibilities it was very difficult to attend church. I went when I could, but I had a real desire to learn all I could about Jesus and the Bible. The world was losing its grip on me as I continued to lose more and more of my previous life.

We finally got cable TV (Time Warner, which does not broadcast Hope Channel in my area). My father enjoyed watching TV, but I hoped to find quality shows. We began to watch TBN. I enjoyed some of the movies they showed, but did not feel the station reflected true biblical teaching. Then I discovered DayStar and although it was an improvement, I was still very disappointed and unsatisfied. Then we switched to Direct TV and I soon found my Hope Channel. What a blessing it has been in my life! The more I watched it the more impressed I became. You have such a vast variety of shows which cover all aspects of living a healthy Christian life. My goal is to give up cable altogether and buy a computer so I can watch Hope Channel on my smart TV. With the money saved on a cable bill I can donate regularly to Hope Channel.

In these past 14 months with Hope Channel I have learned so much, grown deep in my faith and I now have a very close relationship with my Savior Jesus.

Now, the best part of what Hope Channel has done in my life. For several years I had been praying that God would lead me to the church family where He wanted me. After my father passed away, I began attending local churches. In five years I had tried four churches, but none had felt like I was home. Then I noticed Hope Channel inviting viewers to find a local Seventh-day Adventist church in their area. So the following Sabbath I was so excited to attend a Seventh-day Adventist church for the first time!

I love my new church family, and I love worshiping on the Sabbath. I feel God has answered my prayers by leading me to this church. I was baptized on my seventh Sabbath. I now feel closer to God than ever before!

I have such a grateful heart to the Holy Spirit leading me and to Hope Channel for its very important role in the journey of my salvation. May our Lord continue to bless Hope Channel, its staff, and all its viewers the world over.

Thank you for doing the Lord's work to all involved!

In His Love,
Beth

The background is a bright sky with sunlight filtering through the green leaves of the tree canopy, creating a strong sunburst effect in the center-right. The overall tone is natural and serene.

Hope Channel Japan tries innovative methods to reach young adults

Hope Channel employees from across the network travelled to Japan for the Project Hope Japan. Together they produced 130 short films during a three-week period.

Only about 1% of Japan's population claim to be Christian. Decade after decade, missionaries of many Christian denominations have ministered to this very secular country with little results. Similarly, the Seventh-day Adventist Church and Hope Channel have been brainstorming and praying for ways to better meet the needs of the people of Japan.

In their study of the needs, interests, and life habits of this fast-paced culture, Hope Channel Japan realized that the majority of people in Japan are too busy to stop for a sermon, listen to a seminar, or even watch television. With life so demanding and most attention spans so short, they realized that their contemporary viewers appreciate video productions that are relevant and concise.

So Hope Channel Japan's ministry method and programming is somewhat different from their sister affiliates in Hope Channel's global network. They

produce short, edgy videos that are broadcast on YouTube and shared on social media.

To jump-start this initiative, Project Hope Japan was organized to produce 130 short films. Armed with this inventory, a team of two employees and several volunteers are connecting one-on-one with young adults across Japan.

Hope Channel Japan keeps track of trends and conversations happening among young adults on social media. Then they respond by sharing videos that address issues being discussed. Topics they deal with every day include marriage, parenting, evolution, life-work balance, morality, health, and lifestyle issues.

Please pray for this bold initiative. May all those in Japan searching for meaning and purpose in life find answers through Hope Channel Japan. 🙏

IN•VERSE

Learn to apply the Bible to everyday life. Justin Kim and his team uncover spiritual relevance and perspectives on contemporary issues faced by young adults.

Working at Hope Channel is very fulfilling because it allows me to do what I love: work with people. Interacting, planning, and creating with others invigorates me as a person and as an associate producer at Hope Channel. The team I am a part of brings to life shows like Cross Connection, Hope Sabbath School, and Let's Pray. I am honored to work with talented, spiritually minded people.

As an associate producer, I have many responsibilities that often make me feel I am wearing multiple hats. Sometimes I switch them several times a day, but that means no two days are alike. I enjoy the excitement of it all and the fact that it keeps me on my toes.

In everything I do, I seek the positive. While in college I came to recognize that I am responsible for my own reactions. By choosing to react positively in all situations, even tough and stressful ones, solutions can be found that maintain relationships and glorify God.

During his spare time, Elroy enjoys traveling, outdoor activities, and making his wife Meika laugh for no reason. Elroy also has a passion for photography and uses this skill to document not only his personal adventures but also the happenings at his local church.

Sometimes production can be stressful, but when I remember that everything we do in our studio is to bless our viewers and glorify God, I choose to keep a positive outlook and God always comes through.

Proverbs 16:9 says, "In their hearts humans plan their course, but the Lord establishes their steps." I know this is true. My coming to Hope Channel is a fulfillment of this verse and a testament to God's plan in my life.

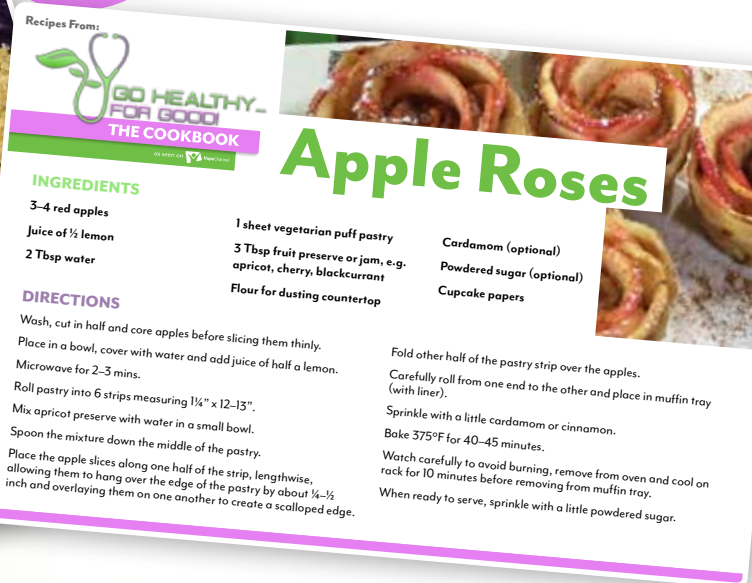

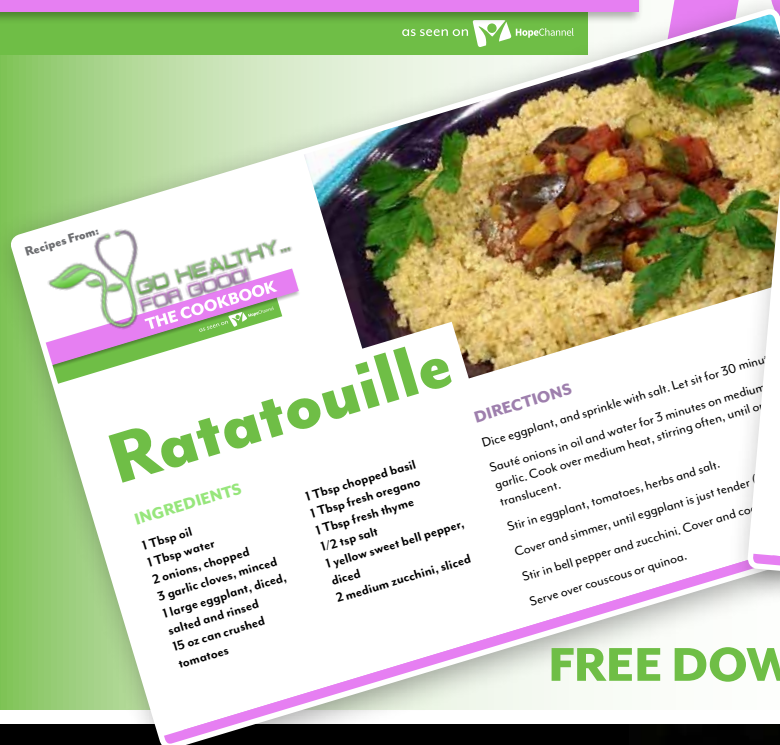

When I graduated from college, I had many plans for my future. While I was looking another way, God moved things in my life, interrupting my wishes, desires, and will. He had

given me the skills and talents of a producer and was asking me to give back to Him.

I came to Hope Channel as an intern. With several years as an employee now under my belt, I can honestly say that God took me from where I wanted to go and put me exactly where I needed to be.

Truly, God is the ultimate producer of our lives!

Hope Channel

Help Hope. Help Yourself.

Like many, you have probably been watching in dismay as your investments fluctuate wildly and your bank CD rates plummet to less than 1%. There isn't much security in knowing that your financial future can be tossed around by every market whim.

The good news is that with a charitable gift annuity, you can receive a generous fixed income with payments made to you or your loved ones for life. Not only will you help Hope Channel further the gospel broadcast but you will also receive fixed income for your lifetime.

Now is the time to lock in a generous payout rate based on your age.
